MEMORANDUM FOR: JH

John: For Approval & Signature

The attached is the result of a bureaucratic requirement which all elements of the Agency are being called on to fulfill. The Agency auditors in reviewing the regulation on overtime noted that there was an absence in the file of written delegations of authority for authorization of overtime. Once we have received DDI approval for the attached, we will, in turn, redelegate internally individuals who will be authorized to sign for the payment of overtime. [ ] is currently in the process of determining what he thinks that level should be.

I have talked with DDI Admin &amp; they concur in what we are doing here (&amp; how we're doing it).</i></p> <p><i>After this is signed, we must then determine internally how to what level we will redelegate approving authority.
